

Faces of Philanthropy

Monica Tovar

In this month's 'Faces of Philanthropy' video, we are proud to feature the Chair of the SVMH Foundation, Monica Tovar. In this video, hear from Monica as she shares her passion, and some of the reasons why she supports Salinas Valley Memorial Hospital Foundation. Thank you for sharing your story, Monica, and for all that you do to *Care for your Community*.

Featured Updates

Patient Assistance Program

Thanks to the generosity of donors, the SVMH Foundation launched a patient assistance program in September of 2021, with the goal of combatting social determinants of health, and assisting with the continuum of care from the clinical setting.

Mobile Clinic Update

Fueled by Philanthropy, the SVMH Mobile Health Clinic continues to meet the growing need for quality healthcare in underserved parts of our community. Included in this newsletter is a snapshot on the impact of this incredible service in 2021.

Since launching in September, your support has helped provide:

49

Patients with Food Assistance

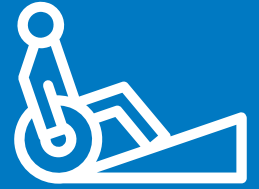

41

Patients with Transportation

13

Blood Pressure Cuffs for Patients

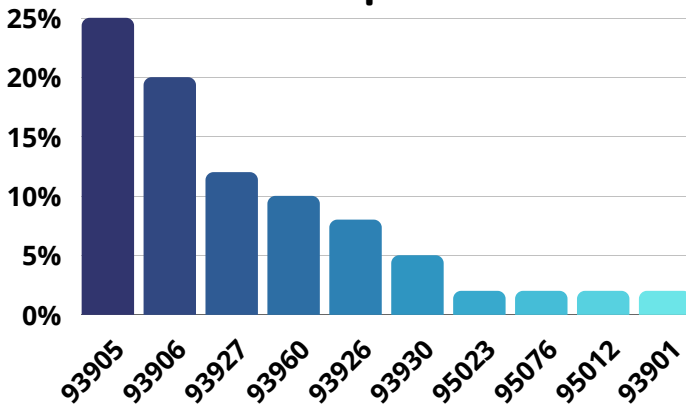

2

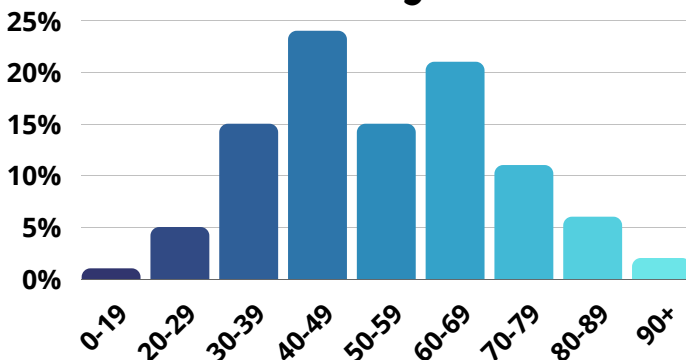

Pieces of Medical Equipment

\$9,698.80 in Direct Patient Support

“

Our patients are so grateful to have access to these important health services. For some, they haven't been to a doctor in decades. Some are afraid of doctors, or are afraid to go to a clinic because they are undocumented. I am so glad that we can help them. - Yesenia, CHA

“

We have donated at retailers towards Children's Miracle Network Hospitals, never thinking that one day we would need assistance; we are truly grateful to the SVMH Foundation and CMN Hospitals for helping Lalito get hearing aids.

- Jessica (Lalito's Mom)

PEDIATRIC COMFORT KITS

During the month of December 2021, our local Children's Miracle Network Hospitals Program asked for your help to provide local kids with Holiday Comfort Kits, and you came through in a big way! Over 200 kits with warm pajamas and stuffed animals were distributed to kids in our pediatrics unit, and across our community through the Mobile Clinic.

Thank you for giving!
